(Nasdaq Capital Market®: CNTY) announced today that Century Mile Racetrack and Casino in South Edmonton, Alberta, Canada will be opening its racing entertainment centre, restaurant, sports bar and off-track betting lounge on April 1, 2019. The horse racing season is scheduled to start with Thoroughbred racing on the one-mile racetrack for the first time on April 28th. A grand opening gala is planned for the evening of April 27th.

Century Mile Racetrack and Casino is the Company's latest development, located on Edmonton International Airport land and close to the city of Leduc, south of Edmonton. The location is ideally positioned exiting off the Queen Elizabeth II Highway, which is the main corridor between Calgary and Edmonton and one of the most heavily used highways in Western Canada. It is close to the airport, a shopping mall, retail outlets, hotels, a golf course and an abundance of other businesses. The Company is investing approximately \$61.5 million CAD, based on the exchange rate in effect as of February 26, 2019, in the development.

Century Mile features a racing entertainment centre and grandstand building with a total of 89,700 square feet on several floors. Amenities on the first floor include a racing entertainment centre, which will initially have 550 slot machines and electronic table games, 14 video lottery terminals, an innovative REPLAY gaming stadium that will feature 28 unique play stations and interactive digital wall display, a restaurant, a horse betting area, a bar and a lounge. On the second floor there will be tiered indoor and outdoor grandstand seating, three private suites and viewing areas, all overseeing the racetrack, a bar, a horse betting area, a buffet and a grill. On the third floor an open patio will provide stunning views over the racetrack and paddock.

On the 100 acres of land the Company also built barns with a capacity of 800 stalls including all amenities needed by horsemen and trainers, as well as 1,700 plus car parking stalls. The one-mile racetrack features many desirable characteristics most notably the 1,280 foot homestretch, making it one of the longest in North America. Horses will race distances from 4.5 furlongs to 1 ½ miles. There will also be the opportunity to run the popular distance of 7 furlongs, a distance also available at the Company's Century Downs racetrack in North Calgary. Century Downs, which opened April 1, 2015, is 160 miles south of Century Mile. Both racetracks will feature Thoroughbred, Standardbred and Quarterhorse racing throughout the year according to coordinated racing calendars.
